### **Herbal Essentials Aloe Vera and Wheat Germ Oil Defense Cream**

We all endure the most of modern life and its stresses and the most affected and visible part is our skin, which is subject to a host of external strains and the onslaught of makeup, an increasingly necessary tool in today's times! Stress, not only the mental and physical kind but oxidative stress is the cause for a host of skin ailments such as acne, wrinkles, and pimple.

Wheat germ oil and its amazing beneficial properties have been used by people for a wide range of health and skin problems. Wheat germ oil is well known for its anti-aging benefits.

The Herbal Essentials Aloe Vera and Wheat Germ Oil Defense Cream packs in the goodness of aloe vera and wheat germ oil to provide tremendous anti-aging benefits for a softer and plump looking skin. Wheat germ oil contains omega-3 fatty acids and vitamin E, antioxidant compounds that help you to slow down the aging process. The moisturizing properties can trap moisture into your skin, leaving skin smooth and soft all-day long.

Moreover, vitamin E in wheat germ oil is crucial vitamin for health and skin. Aloe Vera helps in eliminating wrinkles and achieve a tighter looking skin. Camellia oil has extraordinary moisturizing and anti-aging properties and has been found to be effective in visibly reducing fine lines, marks, and scars, and reducing the appearance of enlarged pores. It intensely resuscitates skin elasticity, giving your skin a supple and radiant look.

This rich and lush day cream is created with a unique blend of natural oils, and helps achieve a visibly conditioned skin, making it a perfect choice for your daily skin regimen. After a cleansing and toning routine, apply to the skin using fingertips and gently massage into the face and neck. In case of contact with eyes rinse immediately with clean water. Suitable for All Skin Types

Useful for: Anti-Aging, Dry Skin, Fine Lines and Wrinkles, Firmness

### **Herbal essentials Aloe Vera and Honey under-eye gel**

Eyes and under eye skin are one of the first areas to show aging. With age, the quality of skin around eyes including pigment, elasticity, and fine lines are markedly visible, resulting in dark circles, sagging, pigmentation etc.

The Herbal Essentials under eye gel infused with aloe vera and honey is just what you need for that youthful glow.

This oil-free Eye Gel contains moisture-enhancing Hyaluronic Acid and is enriched with Aloe Vera for hydration. Hyaluronic Acid, gives the dull skin a smooth and flexible appearance.

The Aloe Vera gel helps reduce fine wrinkles around the eye areas and its anti-aging properties help maintain and stimulate collagen of the skin restoring firmness and preventing sagging. Honey is an amazing gift of nature loaded with many benefits. Especially effective for dark circles, its natural bleaching and anti-inflammatory properties help eliminate skin pigmentation and blemishes, locking natural moisture into the delicate under eye skin.

Regular use of this gel under the day cream or night cream rejuvenates the delicate under eye area for a revived appearance.

Carefully apply day and night using the fingertips with gentle movements from the outer to the inner corner of the eye, avoiding eyelid area. Do not get product directly in the eye. In case of contact with the eye, rinse immediately with clean water. If irritation occurs, discontinue use and seek medical aid.
