

WHOLESOME MEALS x INFINITY

Nutritious and deliciously balanced meal options for a wholesome dining experience in the heart of the city.

As the weather gets better and we've start preparing for the festive season, Millennium Plaza Dubai introduces a new healthy menu at its Infinity Pool Lounge.

Located on the rooftop, the Infinity Pool Lounge is an ideal place to relax while enjoying the panoramic views of the city.

This menu focuses on natural, wholesome and healthy food. This place is a paradise for anyone who's looking for gluten -free, low calorie food or fresh juices.

The food menu includes super bowls loaded with banana, chia seeds, mango, peanut butter, and many more. If you are an avocado person, you definitely need to try the power on toast which includes whole meal bread with tomatoes, herbs and fresh flavour of avocados.

Well this is not it! They have refreshing smoothies and juices which have great blend of fresh fruits & Vegetables. Super smoothies made with a blend of Acai berries which have natural nutritional and immune boosting ingredients. If you are on a juice or smoothie diet, this is worth a try.

It caters to people who have bit of a sweet tooth and dessert lover. In fact you can't say no to fresh berries or a fruit salad.

To promote the new menu, Millennium Plaza Dubai is offering a 20% discount off the total bill when ordering from Infinity Pool Lounge until 30th December 2017.

Being healthy is a combination of eating the right food and being physically fit, keeping this in mind, Millennium Plaza Dubai is also offering a 20% discount on gym memberships, yoga classes and swimming lessons till 31st December 2017.

The spacious Infinity Fitness and Health Club at Millennium Plaza Dubai features state-of-the-art facilities and hosts an impressive stock of cardiovascular machines and strength training equipment to help improve your lifestyle and wellbeing.

Millennium Plaza, located just next to the Emirates Towers metro station is perfectly located on the Sheikh Zayed Road. For reservations, call +971 4 387 7777.
